### Product Description

## New Holland Roll-Belt™ Round Balers

Get outstanding capacity, density, and innovation with a Roll-Belt™ round baler. From the Roll-Belt 450 Utility PLUS for small-scale operations, Bale-Slice™ and CropCutter® models for cutting capability, to Roll-Belt 560 Specialty Crop versions for baling in tough cornstalks, there's a variable chamber model for every operation. Proudly built in New Holland, Pennsylvania for over 50 years, all models are backed by an industry-leading 2+3 Warranty for ultimate peace of mind.
