Product Description

New Holland DISCBINE® 209 Side-Pull Disc Mower

FAST, SMOOTH CUTTINGThe maneuverable 9'2" Discbine® 209 and the 10'4" Discbine® 210 make high-quality hay with the smooth, trouble-free performance you expect from a genuine Discbine.

STANDARD QUICKMAX™ BLADE CHANGE SYSTEMThe QuickMax™ knife change system makes it easy to keep knives sharp for the close, clean cut you want and increased tonnage.

HIGH QUALITY AND FAST DRYDOWNChoose the best conditioning system for your crops - rubber chevron rolls, steel chevron rolls or advanced LeaningEdge™ flail tines.
