Product Description

CID X-Treme Duty 84\" Rock Grapple Attachment

The CID Heavy Duty and X-treme Rock Grapples are great for sifting through dirt in order to remove rocks. The X-treme Grapple has fully welded front teeth, while the HD version uses a 3/4\" x 6\" cutting edge. This edge will be upgraded to a 1\" x 8\" when adding the optional teeth. The HD version has tine spacing set at 2 3/8\", while the X-treme has 3\" spacing. Our top quality 1/2\" steel and 5/8\" grapple tines provide all the strength you may need for the removal of rocks, logs, and brush. Has twin cylinders rated at 4000 PSI.
