Product Description

CID Heavy Duty Auger Drive Hex

One of our most popular and highest rated attachments, our Heavy Duty Auger Drives are available for skid steers and tractors with your choice of a universal quick attachment plates or a side shift mount. CID Auger Drives feature a planetary gear drive second to none in North America, completely eliminating the common issue of shaft pullout. High torque output means CID augers power through tough earth conditions and can handle rock auger bits for extreme earth conditions. Heavy duty reliability at an affordable price! Specs: Continuous pressure rating of 3K PSI, intermittent: 4K PSI; self-levelling. Bit sizes up to: 36" INCH; Hooks Up To either, 2" Hex or 2-9/16" round depending on what you choose. No adapters needed here!
