Product Description

Ironcraft 2400 Series 10' Heavy-Duty Rotary Cutter w/ Chains

Get ready to redefine your land management game with the extraordinary IronCraft 2400 Series Cutter - where performance, integrity, and aesthetics seamlessly unite for an unmatched cutting experience. It has an updated splitter box that seamlessly manages tip speed between 8' and 10', ensuring a consistent and controlled cut. The combination of counter rotation, 4" full uplift blades, adjustable tailwheel brackets, and increased deck skirt height is guaranteed to deliver remarkable cut quality through changing conditions.
