Product Description

Ironcraft 4300 Series 6' Standard-Duty Grader Blades

These Standard-Duty Grader Blades offer ease of moving topsoil, gravel, snow, and other similar materials. They are ideal for basic land grading, leveling, or backfilling needs and are designed to work with 15 to 40 hp tractors. They feature a five-position angle adjustment, a three-position tilt adjustment, and are available in four different working widths from 48" to 84". These models are Category I quick hitch compatible.
